W. D. Quinn, Marseilles, Ill.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address: J. C. AYER CO., Lowell, Mass.

IT WILL COME BACK.

Some Alma Residents Have Learned How to Keep It Away.

Your back may not ache very long. But the ache will return shortly. Comes oftener—stays longer. Unless the kidneys are relieved. Doan's Kidney Pills cure all kidney ills.

Alma people endorse them.

Mr. H. P. Thompson, of Woodworth street, says: "I have had backache and kidney complaint for some time. Last fall I had a severe attack and was laid up for over two months. During that time I suffered the greatest pain imaginable. I could not get any rest at night. If I moved or made a sudden turn my back felt as though it were breaking in two. I recovered from the attack, but ever after when I worked hard I became lame and sore across the small of my back. I had an attack of it this summer, and when I saw Doan's Kidney Pills advertised I had my wife go to Bivins & Rhodes' drug store and get a box. I took them as directed until the pain stopped. I have been working hard the last few days digging a ditch, and I don't feel a particle of pain in my back. I must give Doan's Kidney Pills the credit. If anyone wishes any information regarding what Doan's Kidney Pills did for me I will be only too glad to answer any letters or tell them personally."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

THE BUGLER'S CHEST

Is well expanded. He uses his lungs to their fullest capacity. People in ordinary do not use much over half their lung power. The unused lung surface becomes inert, and offers a prepared ground for the attack of the germs of consumption. There is no need to warn people of the danger of consumption, but warning is constantly needed not to neglect the first symptoms of diseased lungs.

Dr. Pierce's Golden Medical Discovery cures obstinate coughs, bronchitis, bleeding lungs, and other conditions which, if neglected or unskillfully treated, find a fatal termination in consumption. It is entirely free from opiates and narcotics.

"About three years ago I was taken with a bad cough, vomiting and spitting blood," writes Mr. B. J. Robinson of Springfield, Garden, W. Va. "I tried many remedies, nothing seemed to help me. I then commenced using Dr. Pierce's Golden Medical Discovery. After using ten bottles and bleeding lungs, I commenced to improve. My case seemed to be almost a hopeless one. Doctors pronounced it ulcer of the lungs. I was sick nearly two years at the time he said. Was given up to die by all. I thought it would be impossible for me to live over night at one time. I haven't spit any blood now for more than twelve months and worked on the farm all last summer. It was Dr. Pierce's medicine that cured me."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.

The "Medical Adviser," in paper cover, is sent free on receipt of 21 one-cent stamps to pay for mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kaible, of Nevada, O., says: "I had stomach trouble and was in a bad state of mind. I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat

and relieves the stomach of all nervous strain and the heart of all pressure.

Bottles only. \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c.

What this Boy's Mother Says

has been said by the mothers of many other boys and girls, regarding the wonderful curative and strengthening qualities of

Dr. Miles' Nervine

HASTING, NEB.

"Our little boy, Harry, had spasms for 3 years and we feared the disease would affect his mind. Though we doctored continually he grew worse and had ten spasms in one week. Our attention was directed to Dr. Miles' Nervine and we began its use. When he had taken the fourth bottle the spasms disappeared and he has not had one for five years. His health now is perfect."
